CO-EDITORS' NOTE

We, the co-editors of this 1969 Thunderbolt, wish to personally express our sincere wish that all of you will enjoy this edition of our yearbook.

Upon seeing the '69 Thunderbolt, we agreed that all of our long, arduous, and occasionally desperate, hours of trying to give this yearbook completeness, originality ... uniqueness were recompensed. We earnestly hope that not only this moment but all the moments to come will prove to be as happy for you as the many, many moments gone into the creation of this yearbook have been for us.

We, on behalf of the annual staff, feel that happiness definitely is the 1969 Thunderbolt.

CO-EDITORS,

Thana Taylor

GENEVA DAVIS '69

ANNUAL STAFF FOREWORD

We, the annual staff, present our 1969 Thunderbolt.

We would like to thank our sponsor, Mrs. Kathy Slusher, for her unending patience and devotion. Without her understanding, this publication would have been impossible.

Our annual this year has been a lot of headaches and worry. We selfishly encroached on certain people for their help and they unselfishly gave it to us. We hope it will be worth our efforts.

The theme for our annual this year is HAPPINESS IS and we want to assure you that happiness <u>is</u> presenting the 1969 Thunderbolt to you.

DEDICATION

Because of your understanding as a teacher, your respect for others, your witty ways, and your earnest effort to make the best better, we the Senior Class of 1969, dedicate the '69 Thunderbolt to you -

MAYNARD OWENS

We hope that you will view this small tribute, not as the cumulating award of your respected profession, rather a rededication in your efforts to improve the minds of those you come in contact with.

Thanks for always meeting us with a smile.

Mr. Owens enjoys teaching at H.H.S.

Mr. Owens enjoys fishing as well as hunting.

At home with daughter, Robin.

SUPERINTENDENT'S MESSAGE

PAUL W. SKEEN
received his A.B. from Marshall University and his M.A. from Peabody College.

I congratulate you on the completion of your high school education. I hope you will continue your education beyond the high school level. Many educational opportunities are now available within our own area, the Southwest College, Clinch Valley College, and area vocational and technical schools. The decision is yours, and I hope your decision will find you enrolling in some learning center.

I extend to you my best wishes and a success in your field of endeavor.

Sincerely,

Paul W. Skeen

PRINCIPAL'S MESSAGE

C. C. Short attended East Tennessee State University. He also attended the University of Tennessee where he received his B.S., V. P. I. and the University of Virginia where he received his M.A.

Dear Seniors,

I congratulate you on successfully completing your high school program. The faculty and I have enjoyed working with you as you advanced to adulthood, both mentally and physically.

Your progress through high school has been marked with many worthwhile contributions to the school program; your individual accomplishments as students and athletes have become a part of the school - a part you will be happy to recall as the years go by.

You are now ready to leave and we sincerely hope that your tenure in high school will make the road to success a little smoother and the attainment of goals easier.

Good Luck,

C. C. Short

MESSAGE

I have certainly enjoyed working with the students of HHS since I returned this year. I feel this has been a fruitful year for everyone here. We have profited by our mistakes and shortcomings and will think of them before committing others.

I sincerely hope that each senior has set his goal to go higher in his education and training - there is no room at the bottom; higher goals are required if you wish not to be smothered by the masses.

Assistant Principal

A MESSAGE FROM THE GUIDANCE OFFICE

MILLIGAN,
E.T.S.U., B.S.
Univ. of Va.,
V.P.I., Univ. of
Florida, M.A.

To the Seniors of 1969:

Your graduation from high school marks another important milestone in your life: You will have completed twelve years of formal training. I sincerely hope that this experience has taught you more than reading, writing and arithmetic - that you have grown in the wisdom of human relationship, which developed a strong sense of moral integrity, and mature human dignity.

Your education must not end here. In order to survive, to be happy and productive, you must continue to learn. You will be faced with many alternatives and many decisions for so long as you live. Your decisions may not always be the right ones - all humans make mistakes, but if I could give you one parting gift, it would be that you have the "courage to be" - the courage to face each crisis without faltering, the courage to admit mistakes and make new decisions, the courage to endure failure and disappointments without becoming bitter and disillusioned, the courage to love and be loved, the courage to weep and the courage to laugh, the courage to live, and the courage to die.

We shall miss you. You have made an imprint on all those with whom you have come in contact. Our interest in you will not cease upon your graduation; your achievements will be our achievements, your failures our failures.

Your cumulative folders will be moved from one filing case to another, but you will always have a claim on us for any service we are able to render.

Vaya Con Dios,

Negetha S. Powers

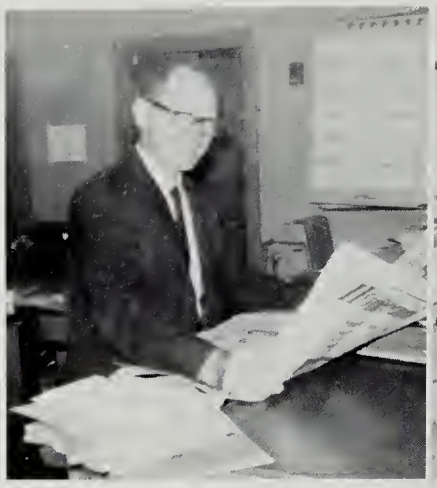
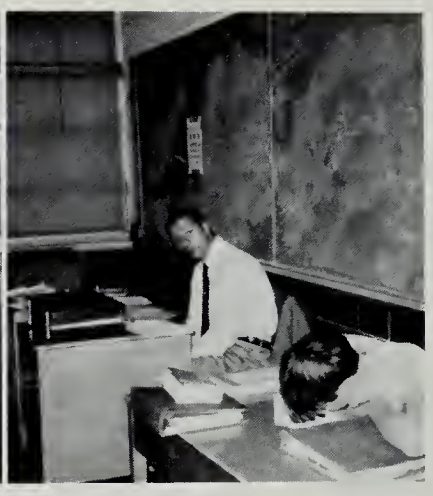
Having the Monday morning blahs?



The Evil Genius!

Knowing no one passed that typing test.

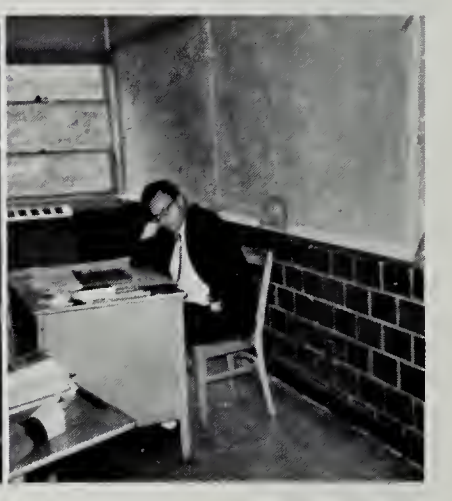


I wish I could too!

Soup's on!

They'll never see me at this angle.

Drinking from the Fountain of Youth.

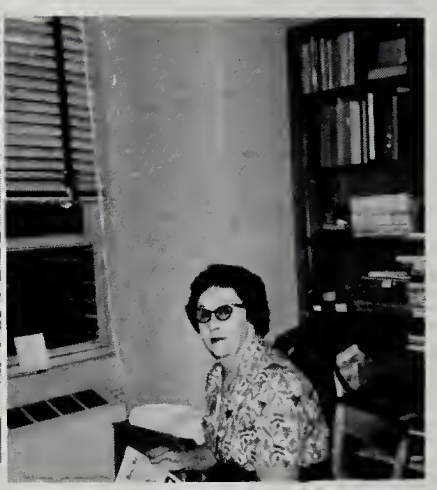


So we did lose one.

Court is now in session.

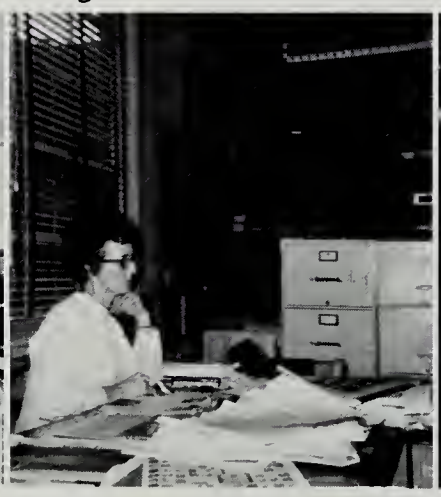
This is harder than working.

This is like finding a needle in a haystack.



Having your name in the paper.

Me!



Did you say, "May I?"?

I scored again!

I can't hold this pose forever.

Forget each kindness that you do as soon
as you have done it
Forget the praise that falls to you the
moment you have won it;
Remember every kindness done to you
whate'er it measure
Remember praise by others won and pass
it on with pleasure;

Remember all the happiness that comes
your way in living;
Forget each worry and distress, be hope-
ful and forgiving;
Remember good, remember truth, re-
member heaven's above you.
And you will find through age and youth,
that many hearts will love you.

SALUTATORIAN

DINAH HELEN WILLIS

If thou must love me, let it be for naught
Except for love's sake only. Do not say
"I love her for her smile - her look - her way
Of speaking gently - for a trick of thought
That falls in well with mine"
But love me for love's sake, that evermore
Thou mayst love on, thru love's eternity.

ELEMENTARY SNAPS

Grab your money, boys. Here comes the teacher!!

I'll bet you say that to all the boys.

Happiness is . . .
just a silly
millimeter longer.

I use Dial; I wish everyone else did!

Frito Bandito Gang.

She's the shy and bashful type.

He likes my big brown beautiful eyes. Gee!

A TREASURY OF THOUGHTS FOR 1968-69

LEISURE

What is this life, if full of care,
We have no time to stand and stare
No time to stand beneath the boughs
And stare as long as sheep or cows
No time to see, when woods we pass,
Where squirrels hide their nuts in grass.
No time to see, in broad daylight,
Streams full of stars, like skies at night
No time to turn at Beauty's glance
And watch her feet, how they can dance
No time to wait till her mouth can
Enrich that smile her eyes began.
A poor life this if, full of care,
We have no time to stand and stare.

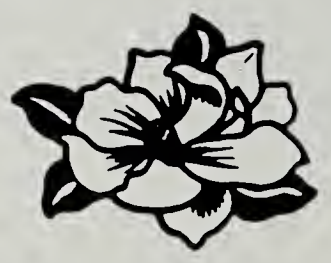
W. R. DAVIES

SATURDAY

You may have cares and duties
There are dozens of things to be done
But don't let the day come to an end
Without some laughter and fun

It is not just as we take it,
This mystical world of ours,
Life's field will yield as we make it
A harvest of thorns or of flowers

GOETHE



Remember this, - that very little
is needed to make a happy life.
